From the Experts: Voices of the Hardware Community

As a manufacturer of hand tools, I am pleased to see the remarkable growth of this second edition compared to the first. IHF India is a fantastic platform for one-on-one interactions with buyers from regions such as the USA, Africa, and Europe. The event has witnessed excellent footfall and continues to be an ideal playground for the hardware industry in India. IHF remains a strong supporter of our endeavors, and we look forward to future editions.

Taiwan Pavilion: Precision and Innovation in Every Tool

The Taiwan Pavilion at IHF India 2024 showcased cutting-edge innovation and unmatched precision, featuring industry-leading exhibitors redefining global hardware standards.

Reverse Buyer-Seller Meet: Welding Connections in The Hardware Industry

In Association With

The Reverse Buyer-Seller Meet (RBSM) at International Hardware Fair India 2024 organized in association with Federation of Import Export Organization (FIEO), hosted around 30 international buyers daily. Over the 3 days it provided a focused platform for Indian exhibitors to connect with global buyers, fostering partnerships and boosting trade opportunities.

Worldwide Praise: International Buyers Share Their IHF 2024 Journey

“As a business dealing in real estate hardware and gardening tools, I am deeply grateful to IHF India for inviting me to this outstanding exhibition. It has been a wonderful experience, providing an opportunity to meet various suppliers, sellers, and manufacturers showcasing an impressive range of products. The event is truly remarkable!

Innovation at Its Finest: Celebrating Hardware Breakthroughs

The Innovative Product Zone at International Hardware Fair India 2024 showcased nine pioneering products from top exhibitors, with three winning awards for their exceptional innovation. This zone celebrated creativity and progress, reinforcing the expo's role as a catalyst for advancements in the hardware industry. Three standout innovations were honored with prestigious awards!

Winner

We specialize in hand tools, offering a range of over 7,000 products and serving more than 10 million customers worldwide. Innovation is the cornerstone of our company's philosophy, and we take pride in being the first factory in India to introduce insulated tools—an essential innovation for the EV industry. We are truly honored to have received the Winner's Award at IHF India's Innovative Product Zone. This recognition means a lot to us, and we are extremely pleased with our experience at IHF India.

1st Runner Up

We are participating for the second time in IHF India, and it has been an excellent experience. The expo is exceptionally well-organized, and we truly appreciate the efforts of the organizers. We are honored to receive this recognition and are delighted to have been awarded. Thank you for this wonderful opportunity!

2nd Runner Up

This is our first time exhibiting at the IHF India Trade Fair, and it has been a fantastic opportunity for us. We were able to network with quality buyers, and the expo was exceptionally well-organized. We are truly grateful for receiving this award and look forward to future participation.
